NAME: Stanislav NAUMOV

TITLE: State Secretary, Deputy Minister of Industry and Trade, Russia

Dear Mr. Stanislav NAUMOV,

On behalf of the Shanghai World Expo Coordination Bureau, we would like to express our appreciation to you for your speech on Technological Innovations and Sustainable Urban Development: The Russian Contribution at the Science and Technology Innovation and Urban Future Forum, one of the Expo theme forums of the 2010 World Expo. Your speech was extremely informative and interesting, and the positive response from the participants and media has fully illustrated the importance of this speech to the forum.

As you know, the aim of Theme Forums of 2010 World Expo is to give voice to people of outstanding talent in different areas of expertise from home and abroad, who will be encouraged to participate in in-depth discussions about the science and technology innovations of cities worldwide. We are fully confident that fruits of the theme forum will contribute to a range of feasible solutions that can be tested and applied to all kinds of urban development problems.

Once again, we thank you for making the forum successful, and we appreciate your continued support.

Sincerely,

Deputy Director,

Bureau of Shanghai World Expo Coordination
